Re Iverson v. Simon; Case No. 04-12077-RWZ (Chestnut Hill Mall)

Dear Ms. Lovett:

We have a scheduling conference in the above-referenced case, set for December 2, 2004 at 2:30 pm in Courtroom 12 before Judge Zobel.

Would it be possible to have the hearing telephonically; if not then alternatively, would it be possible to change the scheduling conference date to the 7th or 9th of December, as one of our attorneys is scheduled to be in Boston on December 8, 2004. Opposing counsel has been contacted and has no objection to same.

Very truly yours,

FULLER, FULLER & ASSOCIATES, P.A.
